

**DEPARTMENT OF MANAGEMENT (“DOM” or “Agency”)
Broadband Grants Program—Empower Rural Iowa, Broadband Equity, Access, and Deployment Funds
NOFA #009
January 9, 2026**

Final Notice of Intent to Award (“NOIA”) Broadband Grant Funds:

Federal Funds Disclaimer: Awardees, in deciding whether to accept or reject this Award offer and enter into a Grant Agreement with the Agency, are solely responsible for determining whether and to what extent receiving these funds for a Project may result in the forfeiture of or have an adverse impact on any related or overlapping federal award or opportunity, whether previously awarded or available in the future.

In accordance with the terms and conditions of the Broadband Grants Program—Empower Rural Iowa, Broadband Equity, Access, and Deployment Funds (“BEAD”) Notice of Funding Availability #009 (“NOFA”), following the Agency’s final agency decision regarding whether, to which projects, and in what amount(s) to make an award(s), the Agency is responsible for notifying Applicants of NOFA award decisions by issuing a NOIA. This NOIA has been finalized based on NTIA review of the Final Proposal and is being distributed by email to each Awardee’s Authorized Contact and will be posted online at <http://dom.iowa.gov/broadband>. Unsuccessful Applicants are solely responsible for reviewing the website to determine their award status.

The Agency has reviewed, evaluated, and scored the Applications received in response to NOFA #009 in accordance with the requirements, terms, and conditions of NOFA #009, and through this NOIA hereby awards the following amounts to the following Applicants/Applications. Revised project areas will be transmitted to the Awardee before transmission of the grant agreement. Note: Partial awards, wherever made under this NOIA, are denoted using the following footnotes as applicable:

¹ Awards identified with a superscript 1 indicate a reduced award amount consistent with the scoring methodology and Eligible Service Location (“ESL”) overlap with a higher-ranking application outlined in NOFA #009. The reduction in the Award amount is consistent with the removal of overlapping ESL(s).

² Awards identified with a superscript 2 indicate a reduced award amount due to an update in the determination of ESL(s) consistent with Exhibit N outlined in NOFA #009. The reduction in the Award amount is consistent with the removal of ESL(s) that are served by unsubsidized service and/or is considered a non-serviceable location.

³ Awards identified with a superscript 3 indicate a reduced award amount due to an update in the determination of ESL(s) consistent with FCC December 2024 Fabric and Availability Data. The reduction in the Award amount is consistent with the removal of ESL(s) that are served by unsubsidized service and/or is considered a non-serviceable location.

⁴ Awards identified with a superscript 4 indicate a reduced award amount consistent with the “Excessive Cost” threshold established by NTIA. The reduction in the Award amount is consistent with the removal of ESL(s) that were deemed to have an excessive cost.

⁵ Awards identified with a superscript 5 indicate a reduced award amount due to an existing state or federal enforceable commitment. The reduction in the Award amount is consistent with the removal of ESL(s) that are included in existing state or federal enforceable commitment.

This NOIA is contingent on the completion of any additional pre-award requirements, risk assessment, and the successful execution of a Grant Agreement and, as a result, does NOT constitute the formation of a contract between the State and any successful Applicant. Awardees shall not acquire any legal or equitable rights relative to the Award of grant funds until a Grant Agreement has been executed. If a successful Applicant fails to negotiate/execute a Grant Agreement with the State for any reason, the State, in its sole discretion, may cancel or otherwise modify this NOIA accordingly. The State further reserves the right to cancel this Award, in whole or in part, at any time prior to the execution of a written Grant Agreement with the given Applicant. The Agency may increase an Award where a higher-ranking Applicant declines an award that had impacted a lower-ranking Applicant.

Adversely affected Applicants have five (5) days to submit a notice of intent to appeal this Award decision in accordance with Iowa Administrative Code chapter 129-11.3(1). Applicants may appeal an adverse decision only for a timely submitted Application. Appeals may clearly and fully identify all issues being contested and demonstrate what requirements or procedures in Applicable Law, rule, or the NOFA were violated. In the event of an appeal, the Agency will continue working with other successful Applicants pending the outcome of the appeal.
