February 15<sup>th</sup>, 2023

To the Office of the Chief Information Officer of the State of Iowa:

Anytown Iowa is submitting this application in response to the OCIO Invitation to Qualify for a Broadband Intervention Zone. The community of Anytown, representing local businesses and residents, has identified as a specific area of geographic concern with regards to existing broadband availability.

As such, we are proposing that a Broadband Intervention Zone be established for the area in and around the community of Anytown in NW [County]. Pursuant to the Iowa Broadband Map v.5, this area is currently served by a single broadband provider and with speeds that do not facilitate the required 100/20 minimum threshold for robust connectivity.

It is our hope that the ITQ application and review of same by OCIO will designate Anytown as a geographic area of concern / Intervention Zone for consideration in the next broadband grant program.

Sincerely,

Andrea Preston  
Mayor, Anytown
