

### Addendum # 1 to NOFA #002

Pursuant to Section 1.9 of the NOTICE OF FUNDING AVAILABILITY #002 (“NOFA”): “The Office reserves the right to amend this NOFA at any time. In the event the Office decides to amend, add to, or delete any part of this NOFA, a written amendment will be attached to the NOFA as an addendum, and posted at <https://ocio.iowa.gov/broadband>.” The following amends NOFA #002:

#### Amendment #1:

1. Section 1.2.6 of NOFA #002, defining the “As of Date,” identifies the “As of Date” of the broadband availability maps and corresponding data sources utilized by the Office pursuant to Iowa Code section 8B.10(1) and Iowa Administrative Code rules 129—20.3 and 20.4 in determining whether a Communications Service Provider offers or Facilitates 25/3 Broadband in a particular census block as of the As of Date and underlying the Broadband Availability Map in effect on the date of the issuance of this NOFA as **December 31, 2017**. However, as noted in connection with the official publication of version 2 (“V2”) of the Broadband Availability Map, the correct “As of Date” of the Broadband Availability Map and that will be used for determining eligibility for purposes of Projects forming the basis of Applications submitted in response to NOFA #002 is **June 30, 2018**. See [https://ocio.iowa.gov/sites/default/files/About\\_section\\_-\\_broadband\\_availability\\_map\\_-\\_final\\_publication.pdf](https://ocio.iowa.gov/sites/default/files/About_section_-_broadband_availability_map_-_final_publication.pdf) for additional details.

As a result, Section 1.2.6 of NOFA #002 is deleted in its entirety and replaced with the following:

- 1.2.6 “As of Date” means the as of date of the broadband availability maps and corresponding data sources utilized by the Office pursuant to Iowa Code section 8B.10(1) and Iowa Administrative Code rules 129—20.3 and 20.4 in determining whether a Communications Service Provider offers or Facilitates 25/3 Broadband in a particular census block as of the As of Date and underlying the Broadband Availability Map in effect on the date of the issuance of this NOFA. On the date of the issuance of this NOFA, the As of Date was June 30, 2018. Put another way, the Broadband Availability Map in effect as of the date of the issuance of this NOFA reflects the availability of 25/3 Broadband in Iowa as of June 30, 2018.

In addition, any other references in NOFA #002, including any related attachments, exhibits, or addenda, identifying or implying an As of Date of December 31, 2017, shall be updated and amended by operation of this Amendment #1 to identify or imply an As of Date of **June 30, 2018**.
