Explanation of significant increases in the budget:

Prior years the employee benefits levy was under budgeted. For the current fiscal year, we are levying taxes for the deficit cash balance of \$4,326 as of June 30, 2019. This is shown in the other employee benefits line. Increase in other employee benefits is due to paying health insurance for the City's maintenance worker and workman's comp on all employees.

If applicable, the above notice also available online at:

*Total city tax rate will also include voted general fund levy, debt service levy, and capital improvement reserve levy

**Budget year effective property tax rate is the rate that would be assessed for these levies if the dollars requested is not changed in the coming budget year
