A BILL FOR

An Act relating to and making appropriations to state departments and agencies from the rebuild Iowa infrastructure fund and the technology reinvestment fund, providing for related matters, and including effective date provisions.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:
S.F. _____ H.F. ____

DIVISION I

REBUILD IOWA INFRASTRUCTURE FUND

Section 1. REBUILD IOWA INFRASTRUCTURE FUND —

APPROPRIATIONS. There is appropriated from the rebuild Iowa infrastructure fund to the following departments and agencies for the following fiscal years, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. DEPARTMENT OF AGRICULTURE AND LAND STEWARDSHIP

   a. (1) For deposit in the water quality initiative fund created in section 466B.45 for purposes of supporting the water quality initiative administered by the division of soil conservation and water quality as provided in section 466B.42, including salaries, support, maintenance, and miscellaneous purposes, notwithstanding section 8.57, subsection 5, paragraph "c":

   FY 2022-2023:

   $ 5,200,000

   (2) (a) The moneys appropriated in this lettered paragraph shall be used to support demonstration projects in subwatersheds as designated by the department that are part of high-priority watersheds identified by the water resources coordinating council.

   (b) The moneys appropriated in this lettered paragraph shall be used to support demonstration projects in watersheds generally, including regional watersheds, as designated by the division and high-priority watersheds identified by the water resources coordinating council.

   (3) In supporting projects in watersheds and subwatersheds as provided in subparagraph (2), all of the following shall apply:

   (a) The demonstration projects shall utilize water quality practices as described in the latest revision of the document entitled “Iowa Nutrient Reduction Strategy” initially presented in November 2012 by the department of agriculture and land...
stewardship, the department of natural resources, and Iowa state university of science and technology.

(b) The division shall implement demonstration projects as provided in subparagraph division (a) by providing for participation by persons who hold a legal interest in agricultural land used in farming. To every extent practical, the division shall provide for collaborative participation by such persons who hold a legal interest in agricultural land located within the same subwatershed.

(c) The division shall implement demonstration projects on a cost-share basis as determined by the division. Except for edge-of-field practices, the state’s share of the amount shall not exceed 50 percent of the estimated cost of establishing the practice as determined by the division or 50 percent of the actual cost of establishing the practice, whichever is less.

(d) The demonstration projects shall be used to educate other persons about the feasibility and value of establishing similar water quality practices. The division shall promote field day events for purposes of allowing interested persons to establish water quality practices on their agricultural land.

(e) The division shall conduct water quality evaluations within supported subwatersheds. Within a reasonable period after accumulating information from such evaluations, the division shall create an aggregated database of water quality practices. Any information identifying a person holding a legal interest in agricultural land or specific agricultural land shall be a confidential record.

(4) The moneys appropriated in this lettered paragraph shall be used to support education and outreach in a manner that encourages persons who hold a legal interest in agricultural land used for farming to implement water quality practices, including the establishment of such practices in watersheds generally, and not limited to subwatersheds or high-priority watersheds.

(5) The moneys appropriated in this lettered paragraph
may be used to contract with persons to coordinate the
implementation of efforts provided in this paragraph.

(6) The moneys appropriated in this lettered paragraph
may be used by the department to support urban soil and water
conservation efforts, which may include but are not limited
to management practices related to bioretention, landscaping,
the use of permeable or pervious pavement, and soil quality
restoration. The moneys shall be allocated on a cost-share
basis as provided in chapter 161A.

(7) Notwithstanding any other provision of law to the
contrary, the department may use moneys appropriated in
this lettered paragraph to carry out the provisions of this
paragraph on a cost-share basis in combination with other
moneys available to the department from a state or federal
source.

(8) Not more than 10 percent of the moneys appropriated in
this lettered paragraph may be used for costs of administration
and implementation of the water quality initiative administered
by the soil conservation division.

31
32       CHANGES TO PRIOR APPROPRIATIONS
33  Sec. 5.  2018 Iowa Acts, chapter 1162, section 4, is amended
34 to read as follows:
35  SEC. 4.  REVERSION.
36  1.  Except as provided in subsection 2, for purposes
37 of section 8.33, unless specifically provided otherwise,
1 unencumbered or unobligated moneys made from an appropriation
2 in this division of this Act shall not revert but shall remain
3 available for expenditure for the purposes designated until the
4 close of the fiscal year that ends three years after the end of
5 the fiscal year for which the appropriation is made. However,
6 if the project or projects for which such appropriation was
7 made are completed in an earlier fiscal year, unencumbered
8 or unobligated moneys shall revert at the close of that same
9 fiscal year.
10 2. For purposes of section 8.33, unless specifically
11 provided otherwise, unencumbered or unobligated moneys from an
12 appropriation made in section 3, subsection 4, of this division
13 of this 2018 Act shall not revert but shall remain available
14 for expenditure for the purposes designated until the close
15 of the fiscal year that ends four years after the end of the
16 fiscal year for which the appropriation is made, or until the
17 project for which the appropriation was made is completed,
18 whichever is earlier.
19 Sec. 6. 2019 Iowa Acts, chapter 137, section 2, is amended
20 to read as follows:
21 SEC. 2. REVERSION.
22 1. Except as provided in subsection 2, for purposes
23 of section 8.33, unless specifically provided otherwise,
24 unencumbered or unobligated moneys from an appropriation made
25 in this division of this Act shall not revert but shall remain
26 available for expenditure for the purposes designated until the
27 close of the fiscal year that ends two years after the end of
28 the fiscal year for which the appropriation is made. However,
29 if the project or projects for which such appropriation was
30 made are completed in an earlier fiscal year, unencumbered
31 or unobligated moneys shall revert at the close of that same
32 fiscal year.
33 2. For purposes of section 8.33, unless specifically
34 provided otherwise, unencumbered or unobligated moneys from
35 an appropriation made in section 1, subsection 14, of this
division of this 2019 Act shall not revert but shall remain available for expenditure for the purpose designated until the close of the fiscal year that begins July 1, 2022.

Sec. 7. 2019 Iowa Acts, chapter 137, section 4, is amended to read as follows:

SEC. 4. REVERSION.

1. For purposes of section 8.33, unless specifically provided otherwise, unencumbered or unobligated moneys from an appropriation made in this division of this Act shall not revert but shall remain available for expenditure for the purposes designated until the close of the fiscal year that ends two years after the end of the fiscal year for which the appropriation is made. However, if the project or projects for which such appropriation was made are completed in an earlier fiscal year, unencumbered or unobligated moneys shall revert at the close of that same fiscal year.

2. For purposes of section 8.33, unless specifically provided otherwise, unencumbered or unobligated moneys from an appropriation made in section 3, subsection 6, of this division of this 2019 Act shall not revert but shall remain available for expenditure for the purposes designated until the close of the fiscal year that begins July 1, 2023, or until the project for which the appropriation was made is completed, whichever is earlier.

Sec. 8. EFFECTIVE DATE. This division of this Act, being deemed of immediate importance, takes effect upon enactment.

DIVISION IV

MISCELLANEOUS PROVISIONS

Sec. 9. Section 8.57C, subsection 3, paragraph a, subparagraph (3), Code 2022, is amended to read as follows:

(3) For the fiscal year beginning July 1, 2022, and for each subsequent fiscal year thereafter, the sum of seventeen million five hundred thousand dollars.

Sec. 10. Section 8.57C, subsection 3, Code 2022, is amended
by adding the following new paragraph:

NEW PARAGRAPH.  

j. There is appropriated from the rebuild Iowa infrastructure fund for the fiscal year beginning July 1, 2022, and ending June 30, 2023, the sum of twenty million five hundred thousand dollars to the technology reinvestment fund, notwithstanding section 8.57, subsection 5, paragraph "c".

Sec. 11.  NEW SECTION.  15.221 Carbon ignition fund.

1. A carbon ignition fund is created in the state treasury under the control of the authority. The fund shall consist of all moneys appropriated to the fund.

2. Moneys in the carbon ignition fund are appropriated to the authority for purposes of funding grants for projects in agriculture and energy for increased participation in carbon markets.

3. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the carbon ignition fund shall be credited to the carbon ignition fund. Notwithstanding section 8.33, moneys credited to the carbon ignition fund shall not revert at the close of a fiscal year.

EXPLANATION

The inclusion of this explanation does not constitute agreement with the explanation's substance by the members of the general assembly.

This bill relates to and makes appropriations to state departments and agencies from the rebuild Iowa infrastructure fund and the technology reinvestment fund, and provides for related matters. The bill is organized by divisions.

DIVISION I — REBUILD IOWA INFRASTRUCTURE FUND.  This division appropriates project funding for FY 2022-2023 from the rebuild Iowa infrastructure fund for projects for the departments of agriculture and land stewardship, the blind, corrections, cultural affairs, human services, natural resources, public defense, public safety, and transportation, and for the economic development authority, treasurer of state, and the judicial branch. The division also appropriates project funding from the rebuild Iowa infrastructure fund for...
multiple fiscal years to the board of regents and the state fair authority.

DIVISION II — TECHNOLOGY REINVESTMENT FUND. This division appropriates project funding for FY 2022-2023 from the technology reinvestment fund for the departments of corrections, education, homeland security and emergency management, human rights, inspections and appeals, management, public defense, public safety, and revenue, and for the Iowa telecommunications and technology commission, and the judicial branch.

DIVISION III — CHANGES TO PRIOR APPROPRIATIONS. This division allows moneys appropriated from the technology reinvestment fund to the department of human services over multiple fiscal years beginning with FY 2018-2019 that would revert if unencumbered and unexpended three years after the close of the fiscal year in which the appropriation was made to not revert until four years after the close of the fiscal year in which the appropriation was made. The division also allows moneys appropriated to the Iowa veterans home for FY 2019-2020 that would revert if unencumbered and unexpended as of June 30, 2022, to not revert but remain available for expenditure until the close of the fiscal year beginning July 1, 2022. The division also allows moneys appropriated to the department of human services for FY 2019-2020 that would revert if unencumbered and unexpended as of June 30, 2022, to not revert but remain available for expenditure until the close of the fiscal year beginning July 1, 2023. This division of the bill takes effect upon enactment.

DIVISION IV — MISCELLANEOUS PROVISIONS. Code section 8.57C, concerning the technology reinvestment fund, is amended to provide that the standing appropriation to the fund from the general fund for fiscal years beginning on or after July 1, 2022, is changed to fiscal years beginning on or after July 1, 2023, and to provide for an appropriation to the fund from the rebuild Iowa infrastructure fund for the fiscal year beginning
July 1, 2022, of $20.5 million. The division creates a carbon ignition fund in the state treasury under the control of the economic development authority. Moneys in the fund shall be used to fund grants for projects in agriculture and energy for increased participation in carbon markets.
